

Supply Chain Perspectives

Call for Ideas

NITL invites SCM academics, consultants and practitioners to submit ideas for articles and/or news features to the magazine's editor Edward Sweeney (edward.sweeney@dit.ie).

NITL welcomes ideas for articles in any area of SCM/logistics but would particularly welcome ideas in *the following areas.*

- *Benchmarking*
- *Collaborative Planning & Forecasting*
- *Customer Relationship Management*
- *Demand Management*
- *Enterprise Systems and ERP*
- *Food Supply Chains*
- *Global Supply-Chain Networks*
- *Green Logistics*
- *Humanitarian Logistics*
- *Information Technology in SCM*
- *Lean & Agile Supply Chains*
- *Logistics/SCM Education & Training*
- *Logistics and Marketing*
- *Modelling and Simulation*
- *Multimodal Transport*
- *Performance Measurement*
- *Purchasing & Supplier Development*
- *Reverse Logistics*
- *Strategic SCM*
- *Supply Chain Design*
- *Supply Chain Risk and Resilience*
- *Supplier Relationship Management*

- *Sustainable Supply Chains*
- *Third and Fourth Party Logistics*
- *Transport Operations*
- *Transportation Planning and Management*
- *Warehousing (including WMS and RFID)*
